WARRANTY

We take pride in our nursery stock and our growing experience of over 40 years. We warrant to deliver species true to name, and will replace, upon proof, anything that is otherwise, or refund original price. We guarantee trees to be alive and in good, healthy condition when they leave our nursery. Total liability is limited to the purchase price of the seedlings, but not more than that amount.

CONDITIONS OF SALE

All orders are accepted subject to weather, errors in inventory or any other reason beyond our control. We reserve the right to refund all or any part of payment made.

PRICING

Prices are subject to change without notice. Prices do not include HST, shipping or order packaging charge. All prices are F.O.B. the nursery. Due to the high cost of producing small orders our minimum order is 100 trees. The minimum order for each variety and size is 50. DELIVERY

Seedlings are very perishable. We encourage personal pick up at the nursery. To help us serve you better and to ensure the availability of your order, please call at least three days prior to your pick up date.

SHIPPING

Shipments are F.O.B. our nursery. Whenever possible, we ship according to customer designation. Please include your name and full address, as carriers do not deliver to P.O. Box numbers. Remember your shipment date will be different from your arrival date. We try to avoid shipping trees on any such date that would result in them sitting in a terminal over the weekend. All shipments are at the buyer's own risk. Our liabilities cease upon delivery to carrier. Breakage or spoilage claims due to transit should be immediately made to the transportation company. Any claims for deductions or error must be made within five days of receipt of shipment.
